

## **Expression of Interest - Community Members**

### **“Get Involved and Make a Difference!”**

*Are you a community member who is invested in the area and wants to make a difference in the Kings Region (RSC8)?*

*The Board of Directors of the Kings Regional Service Commission values its community members and understands the region cannot grow and improve without valuable input from the citizens they represent. This is where you come in!*

*The recent Local Government Reform has increased the mandated services for the Kings Regional Service Commission. Each mandated service will require a standing committee, with representation from all areas of the Region. Kings Regional Service Commission is currently seeking community members possessing specific skill sets or interests relative to the following mandated services:*

- *Solid Waste and Recycling*
- *Land Use Planning/ Building Permits*
- *Tourism Promotion*
- *Economic Development*
- *Community Development*
- *Community Transportation*

***If you are interested, have the relevant skills and feel like you want to make a difference in any of the areas above, we would like to hear from you. Please forward a cover letter expressing your interest in a specific committee(s), along with a description of your relevant skills, background and experience to [info@kingsrsc.ca](mailto:info@kingsrsc.ca).***

*Thank you and we look forward to working together with our valued community members.*
