

COVID-19 OPERATIONAL IMPACTS

We are continually monitoring guidance from Public Health and provincial authorities regarding the COVID-19 pandemic. As the situation evolves daily we regularly review our policies to ensure they are reflective of the current situation.

With the migration from the Red-Orange-Yellow-Green system to the new alert levels, we have updated our facility procedures as follows:

LEVEL 2

Regional Waste Management Facility

OPEN

No Impact to Operations

RSC8 Offices

OPEN

No Impact to Operations

LEVEL 3

Regional Waste Management Facility
